

Homework assignments for High School Math

“Now that we will be going online for a while, I would like you to know of the small changes I will be making. If you have any questions, feel free to email me at michelle.argueta@cbshammond. I miss you all and continue to be diligent in your work! I believe in all of you!”

- All of your assignments will be in a form that was once labeled quizzes (It will range from 5-10 problems)
- Some of the questions will be from the book.
- I will have homework (25% of your grade) for every day except on Friday where there will be a Review Quiz from your weekly Lessons.
- The Review Quiz will be a test grade (40% of your grade)
- The Homework will be due 48 hours from the day it was assigned. Ex: if a homework was assigned for Monday, it will be due on Wednesday @ 8AM.
- If you are having technical difficulties, please let me know ASAP. I will not take excuses that you were having technical difficulties if you never addressed them with me.
- If you haven't developed a routine, let me help you out.
 - 1) Wake up in the AM by praising the Lord. Then with a cup a water and to start your day
 - 2) Have your textbook in front of you.
 - 3) Start the video and WATCH all of it.
 - 4) Work on the homework.
 - 5) Done 😊 (for the day)

***I will be contacting parents if you are habitually forgetting to do the assigned work. ***

I am available to help you at any time. Preferably between 9am-5pm
