

4. The number tells how many eggs in all go in each nest.
Draw the eggs needed to show that number of eggs in the nest.
Color the picture.

Oral Numbers Evaluation

Grade

1. Give the answers:

$$3 + 4 = \underline{\quad} \quad 2 + 3 = \underline{\quad} \quad 8 + 1 = \underline{\quad} \quad 3 + 3 = \underline{\quad}$$

$$2 + 2 = \underline{\quad} \quad 5 + 2 = \underline{\quad} \quad 0 + 4 = \underline{\quad}$$

2. Read clocks set to *twelve fifteen* and *eleven o'clock*.
3. Tell the value in cents of three nickels.
