

1. Add.

$6 + 2 = \square$

$9 + 1 = \square$

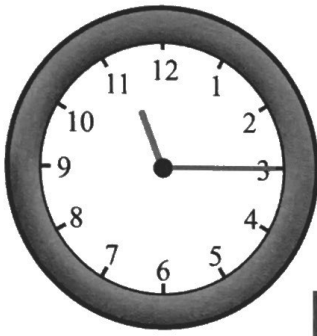

$3 + 4 = \square$

$3 + 3 = \square$

$2 + 5 = \square$

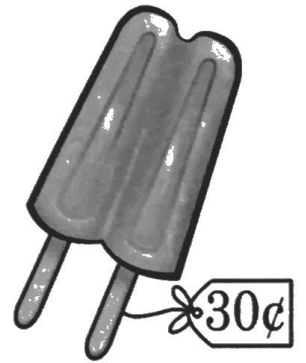

$4 + 2 = \square$

2. What time is it?

:
---

3. Draw the dimes you would need to buy the popsicle.

4. Write from 1 to 30 to complete the calendar. Your teacher will tell you where to begin.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
